Dear Sponsor,

Thank you for your interest in sponsoring a Youth Slow Pitch Softball team. The Association tries to teach all players involved responsibility, team work, sportsmanship and most importantly to have fun. Both boys and girls, ages 4-18, are welcomed into our program from the Sioux Falls and surrounding areas. To continue the program of helping children learn to be a team player, the help of local businesses such as yours is needed.

As a Sponsor, your contribution of \$100 to the program will help cover the following:

- General operating cost (equipment, supplies, etc..)
- Liability Insurance for all teams
- Sponsors Tournament (League Championship) trophies and medals

As a sponsor, you are responsible for providing your team with uniforms consisting of a t-shirt for 13-15 players from a vender of your choice. These t-shirts may have your company logo on the front and are required to have 6" numbers on the back. Please note, a first or last name can be placed on the shirt, but no nicknames. Please keep in mind, the shirts are the property of the sponsor and can be collected at the end of the season (unless otherwise directed by the sponsor). Players may come and go and additional shirts may need to be purchased. At your discretion, you may purchase any extra items you feel your team may need such as equipment, pants/shorts, hats, bags, tournament fees, etc. It is encouraged by the YSSA Board for our older teams to purchase their own equipment. Fundraising can also be done if a team chooses. This is mainly due to the number of outside tournaments many of the older teams get involved in.

Please send in your \$100 payment to the address above by March 31st.

The YSSA encourages you to keep in contact with your team's coach and vice versa. You should be provided with a game schedule and we encourage you to attend games, if possible, to see how your contribution works. It also provides a morale boost to the players to have their sponsor show interest in the team's activities.

If you have any questions/comments, please feel free to contact us by phone or e-mail.

Thank you for your support and interest in helping our youth.

YSSA President

Oscar Bautista
